

12th July 2020

Dear Club Member,

Firstly we sincerely hope that you and your family are keeping well and that the last few months have treated you kindly. We wanted to check in with our members and keep you up to date on what our plans are as we move out of the Covid 19 lockdown and into a phase where we can begin to organise club events.

We had a committee meeting last Tuesday 7th July and this was the first club event since March when the arrival of Covid 19 caused the shut down of our entire country. At that time, we had to make the difficult but inevitable decision to postpone our Spring Challenge event planned for the Easter weekend, which would also have been a tribute to our friend and rally legend Russell Brookes, who sadly passed away last year. We had planned to welcome Russells family and friends from across Ireland, the UK and Europe for this event which would have raised a substantial amount of money for our chosen charities. When the committee met this past week the decision was made to reschedule this event for Spring 2021 as there is still a great deal of uncertainty surrounding the lifting of restrictions, so we look forward to an even bigger and better event in 2021.

Our planned trip "Into the West" for June also had to be postponed and this has been rescheduled for June 2021 - with all reservations transferred to the new date.

In the nearer future we are really looking forward to safely meeting you all again soon. The return to organised events will be gradual and we will be guided by the national public health guidelines. It is a given that events will be run differently now and we will have guidelines in place for each event while also appointing a Covid 19 Compliance Officer. We urge you, our members, to fully comply with these guidelines while also taking personal responsibility for your own safety. It is up to us all to keep ourselves and each other safe.

We are in the process of planning an event for early August and we will update you on the details once everything has been confirmed. We will also keep the website updated with other events in the area which may be of interest. www.wexfordsportsandclassiccarrclub.ie

In the meantime, stay safe and keep those cars polished!

The Committee
Wexford Sports and Classic Car Club
